**INFORMATION DISCLOSURE STATEMENT**

Hon. Commissioner of Patents  
and Trademarks  
Washington, DC 20231

Dear Sir:

Enclosed please find an Information Disclosure Statement submitted for the above-captioned patent case.

**RECEIVED**  
JAN 10 1997  
GROUP 2100

December 29, 1996

This information disclosure statement is filed as a means of complying with the duty of disclosure set forth in §1.56. This information disclosure statement shall not be construed as a representation that a search has been made or that no other material information as defined in §1.56 exists.

Applicant is aware of the references shown on the attached form PTO 1449. These references neither anticipate, nor render obvious the present invention.

German Utility Model No.:DE 295 19 526 shows a device for holding hard drives. The device includes a fan (4) which is arranged at a support element (2). The support element (s) positions the fan (4) above the hard drive (5).

Applicant is aware of the ongoing duty to update this information disclosure statement should additional references be discovered.

Respectfully submitted,

By: Kevin Fortin
